Experience the bold design, spacious interior, and dependable performance of the 2019 Kia Soul—an SUV that brings both practicality and personality to your Chicago adventures. Whether you're navigating the Loop, heading out to the suburbs, or exploring the lakefront, the Kia Soul offers a smooth ride, great fuel economy, and the flexibility to handle any trip. Rent today and hit the streets with confidence!

### Key Features

#### Performance and Efficiency

The 2019 Kia Soul delivers a fun, agile drive with a fuel-efficient engine offering up to 31 MPG on the highway. Its compact size and responsive handling make it perfect for city driving and weekend getaways throughout Illinois.

#### Spacious and Comfortable Interior

Inside, you'll find a roomy cabin with seating for five and flexible cargo space—ideal for shopping runs, luggage, or gear. The elevated seating offers great visibility for Chicago traffic, and premium materials ensure a relaxing ride.

#### Advanced Technology

Stay connected with Apple CarPlay, Android Auto, a touchscreen display, Bluetooth, and a high-quality sound system. Whether you're streaming music or navigating through the city, everything is right at your fingertips.

#### Safety First

Enjoy peace of mind with a rearview camera, stability control, multiple airbags, and advanced driver-assist features. The Kia Soul is built with your safety in mind for both city streets and expressway travel.
